Our passion for Italian Food

It all began during Pat's initial trip to Italy!

In 2006, while visiting his relatives in Sicily in a quaint town called Ganzirri. Pat McKenna had his first taste of Arancini, and it was love at first bite. Inspired, he decided to introduce Arancini to the United States.

Upon returning from Sicily, Pat dived into researching Arancini manufacturers in the US, only to discover no one was producing them. In November 2007, with his family's support, Pat McKenna established Taste of Italy MFG in Mullica Hill, NJ.

Today, the Taste of Italy brand is widely recognized in the food industry as a Frozen Italian Specialty Appetizer Company specializing in using fresh, high-quality ingredients and offering unique products. Our facility is USDA and SQF certified.

Unquestionably, Arancini is Taste of Italy's best-selling item!

You can be sure you will receive quality product for your customers and it will taste homemade!

Stromboli

Cheese Steak Stromboli

Buffalo Chicken Stromboli
